

# WHO AM I

## Artistic Self Portrait

### LEARNING AIMS

With this assignment you are going to show your starting point of Cultural Arts. This is an exam subject. The start of this is introducing yourself. The art file will be built up this year and is an important exam piece. You will create your own personal website on which all tasks and creations are shown.

**All info can be found on [www.metameerckv.com](http://www.metameerckv.com)**  
**Hand in the link of your website in Its Learning.**

### Introduce Yourself!

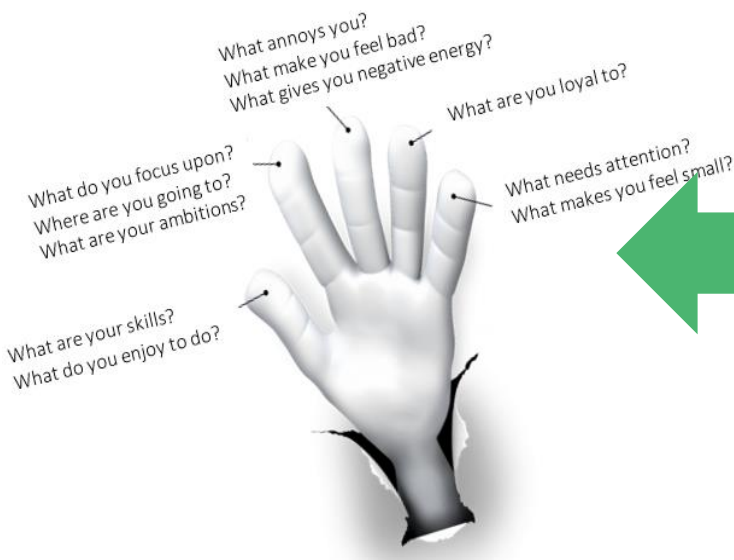

Art and culture start from a creative mind and thinking process.

Introduce yourself in a creative and challenging way. No PowerPoint or word document please! Show where you excel at a creative level!

Think about: film, animation, music, art, theatre, multimedia, social media, drawing, dancing, poetry, flash mob, photography and so on.

**Surprise the people you know by introducing yourself on your website!**

### Your Story

Who am I?

Introduce yourself!

- **Step 1** Who are you in general? Your personal that is meant here, like: your name, age, family, use the hand as an inspiration tool.
- **Step 2** Write on a piece of paper the answers to the questions on the next page.
- **Step 3** Think about the art form you want to use.
- **Step 4** Consult your teacher.
- **Step 5** If you want you can also work together.
- **Step 6** Carry out the task.
