

MAGAZINE COVER

Who am I

Learning aims

In this assignment you'll learn,

- How to work with Magazine Maker app
 - How to edit a photo
 - Basic design from magazine to cover
- How to present yourself in art and culture in the theme Showbusiness.

STEPS

This first Assignment for Culatural Arts is the start of the ASP 'who am I?' (Artist Self Portrait). On the second page you can read about the content of 'Who Am I?'

We will start the ASP 'Who Am I?' by making a cover for your personal magazine. You can do this with help from the App magazine maker on your tablet. If you know an other app that works the same, you are allowed to use this as well.

Step 1 *Downloading*

Download the app on your tablet.

Step 2 *Inspiration*

Look in the magazines in the classroom, beware of the differences in the magazines. For more inspiration you can off course also look on Pinterest or Google.

Step 3 *Collect*

Look and collect images, quotes, letter types for your own cover. Be critical: How do you want to present yourself on the cover? Who are you in Art and culture within the theme of "Showbusiness"?

Step 4 *Design*

Your design will reflect who you are in Art and culture. It's a cover which shows your identity. Use headlines and images of your personal interests. Look closely at other covers: what letter types, lay-out and compositions do they use?

Step 5 *Carry out the task and hand in the link of your own created website in Its Learning.*

If your design is approved you can finish it and send or print, so you can continue with your ASP 'Who Am I'.

Make a personal magazine cover for your website diary 'Who Am I?'

Who Are you? Be original!

Who are you?

Do you like hip-hop, heavy metal or house? Do you play the flute or drums? Do you like to draw? Or do you rather make photos? Do you visit the theatre or do you like the cabaret? Or is graffiti or tattoo art more your thing? Do you visit the cinema regularly? Addicted to Netflix? An enthusiastic gamer? Or are you more a fashion and trends type? Take a moment to look back at your past: what did you do, see, experience? But also look at the future: what would you like to see and experience?
